

Medical Center Pharmacy

Code of Ethics

- We will consistently strive to provide quality services to our patients and to the community in accordance with the highest professional and ethical standards possible.
- We will abide by federal, state, and local laws, statutes, rules, regulations, and ordinances, and with federal, state and private payer health care program requirements.
- We will conduct business professionally and properly, and we will do our best to prevent any fraud or abuse of federal, state or private payer health care programs.
- We will not discriminate on the basis of age, sex, race, creed, color, national origin, or disability.
- We will fulfill our obligation to screen, test, manage and evaluate personnel.
- We will fulfill our obligation to orient employees to their roles and to provide staff development education to maintain the current knowledge and skills needed to competently serve our patients.
- We adhere to standards of integrity in advertising, marketing, billing practices, and managing the services we offer.
- We will assist in admitting, planning, and discharging patients in a manner that will meet the total patient care needs, in cooperation with community resources and agencies.
- We will not knowingly misrepresent the relationship of the company to other health care providers, institutions, or payers.
- We will take appropriate precautions necessary to ensure the safety of our employees and patients.
- We will protect our employees and patients with appropriate insurance coverage.
- We will take appropriate measures to provide our patients with respect, emotional support and personal dignity.
